

This is to certify that:

# EMANZ Conference & Exhibition 2019

meets the requirements of Toitū carbonzero event certification having estimated the event's life cycle emissions during the event, and neutralised the remaining unavoidable emissions excluding attendee travel emissions, through cancellation of an appropriate number of verified carbon credits in respect of the event held at the Harboourside Function Centre on May 29 & 30 2019.

A handwritten signature in black ink, appearing to read "K. L. Tipper".

Karen Tipper — Certifier

Date issued: 28 January 2020 | Valid for: May 29 2019 - May 30 2019.  
Certificate Number: 2019034 | Certification Status: Certified event operations  
Company Address: PO Box 19261, Courtenay Place, Wellington 6149, New Zealand

Certified by Enviro-Mark Solutions Limited (trading as Toitū Envirocare).  
Please refer to the disclosure page on [www.toitu.co.nz](http://www.toitu.co.nz) for further details.

The measurement and calculation method follows the principles of life cycle assessment, including measuring and reducing important emission sources whenever possible across all event activities.

"Toitū carbonzero certified event operations" measures all important emission sources, but does not offset those from attendee travel.  
Toitū carbonzero event certification is only valid for the event dates specified above.
