

Liability Insurance Scheme Offer

An exclusive offering to CEP members who are primarily involved in the analysis and evaluation of clients carbon and energy use and formulating and recommending strategies to reduce their carbon footprint / use of and cost of energy.

Brought to you by Crombie Lockwood Insurance Brokers

Crombie Lockwood is one of the largest insurance brokers in NZ with 27 Branches country wide and skilled dedicated staff whose primary objective is 'To position our clients to financially survive any insurable event'.

We are locally focused, nationally resourced and internationally endorsed.

Insured by Rosser Underwriting and Underwritten by Chubb Insurance.

The policy is a robust suite of liability covers designed to cover all aspects of the typical CEP member. Some members are also engineers and specialists in their own rights, these members we would underwrite individually, but all members will benefit from the discounted pricing.

The CEP association also benefits by sharing in a portion of the income from each member joining, this goes back to the members in the form of CPD events and collateral.

The benefits are:

Policy	Sum Insured
General Liability	\$2,000,000
Statutory Liability	\$1,000,000
Employers Liability	\$1,000,000
Employment Disputes	\$ 250,000
