“

*Being involved in the Partner Panel provides an opportunity to contribute to shaping future CEP events and engage in discussions on key issues with industry leaders.*

**Alelign Gessese (Lumen)**

*CEP plays a pivotal role as the meeting “place” and “voice” for professionals in our industry. Through CEP we’ve significantly expanded the breadth and depth of our relationships with customers and partners. Working through CEP we’ve also been able to exert greater pressure on government direction.*
